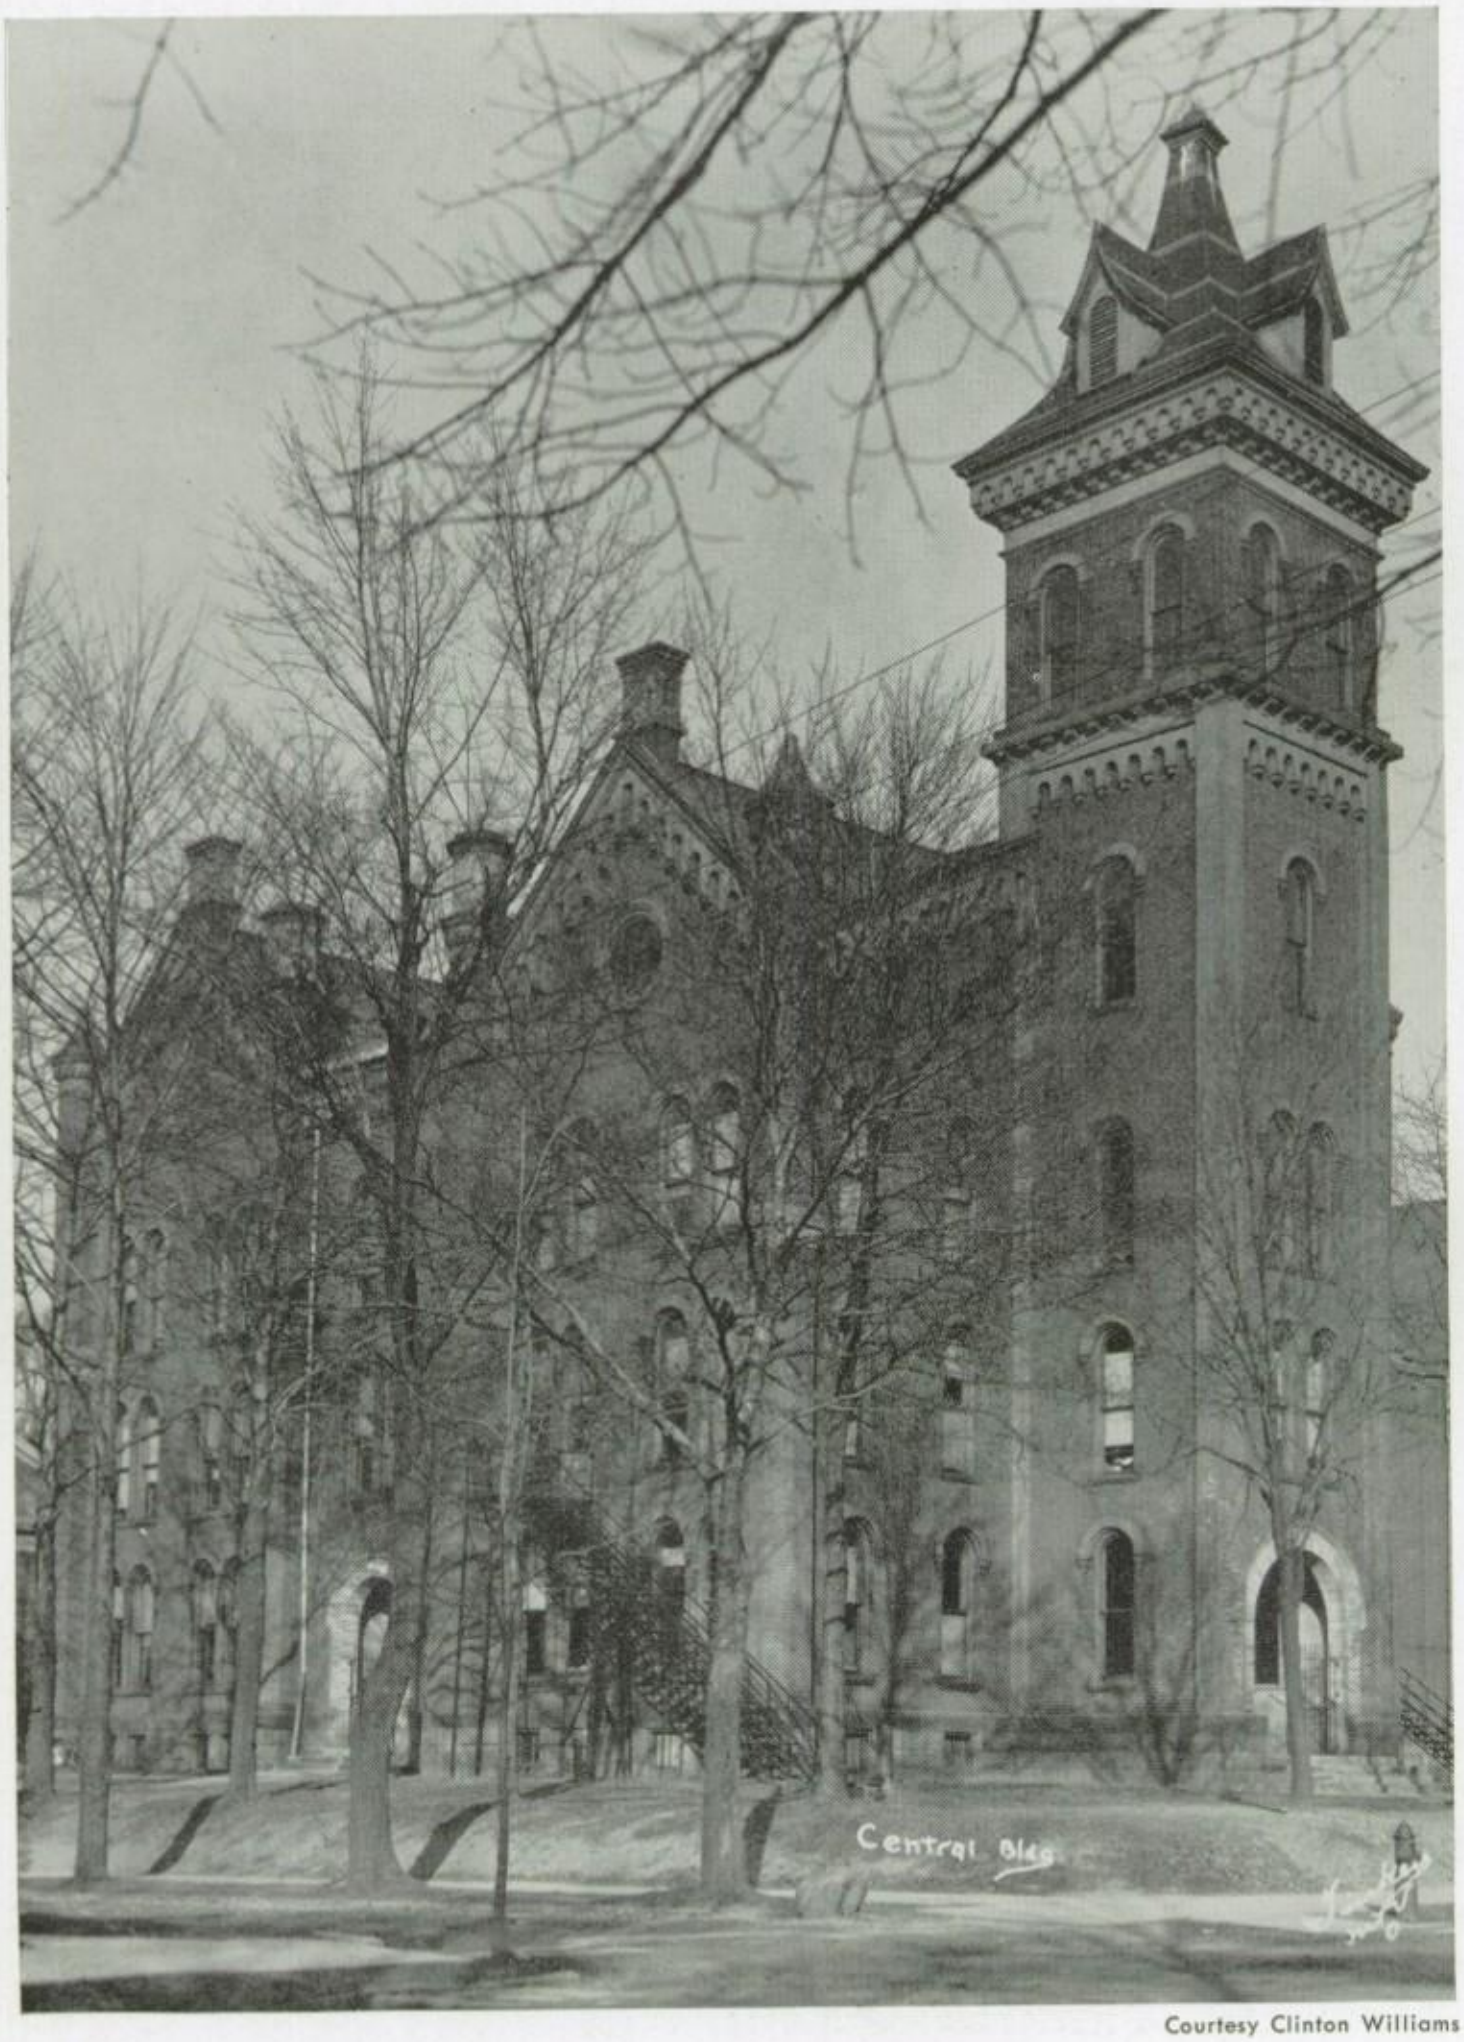
Mount Vernon's First High School



Old Central Building

Courtesy Clinton Williams

Mount Vernon's first high school building, known as the Central Building, was situated at the corner of North Mulberry and West Hamtramck Streets. It was completed in 1859 and razed in 1923 so that the west wing of the present high school building might be erected. On the third floor of this building was a very large room which was used as a gym, but was later converted into a large study hall. The teacher sat on a raised platform in the middle of the front of the room. There were two classrooms at the rear of this large room and the only access to them was through the study hall. Usually there were a number of students going and coming through this room all the time.

OLD JUNIOR HIGH

This high school building was situated on the corner of Mulberry and Burgess Streets. It was built in 1897 and razed in 1938 when the present building was erected. From 1927 to 1938 it was used as the Junior High Building.

Foreword

Sesquicentennial is not a correct name for the 1953 FORUM because Mount Vernon High School is fifty-five years short of celebrating its sesquicentennial. However in conjunction with the Ohio Sesquicentennial Education Committee, of which our own Mrs. Ruth Truxall is a member, we are helping our own school to celebrate Ohio's one hundred and fifty years of statehood.

In this yearbook we are attempting to give a history of Mount Vernon High School from its beginning in 1858 until the present time. This is not a complete history because it was impossible financially to do such a piece of work. However, we expect to save all the material that will be of value to future historians. Some attempt has been made to identify former students by married names, but this is not complete. The list of deceased alumni is not complete either.

Our thanks go to many of the alumni who contributed pictures, identifications, and editorial material. Especially do we wish to thank Mr. Clinton Williams for giving us access to his collection of old pictures and letting us use the ones we wanted.

Formal photographs of the 1952-53 activities were taken by Guy Lipps, James Israel, and Don Garverick. Informal shots were made by Fred Kimble, Bob Lipps, John Wareham, and Jack Bell. Cartoons were loaned by the Mount Vernon News.

Vivian Gallogly and Shirley Wolf did the art work, and the entire staff worked hard to help you remember the happy days of the past and the progress made in Mount Vernon High.

THE MOUNT VERNON PUBLIC SCHOOL SYSTEM

The Mount Vernon public school system originated in the early nineteenth century. In 1808, three years after the town of Mount Vernon was laid out, because of an increase in population, the townspeople thought the town should have some form of education for the youth. Therefore, in that year (1808), a very crude log house was constructed on the southwest quarter of the Public Square.

In 1818 a larger and better-equipped building was erected on two lots on North Mulberry Street.

After the incorporation of Mount Vernon in 1845, the town was divided into five wards, each of which was to set up separate school sub-districts. In 1850 the five wards were given money by the treasurer of the Board of Education to build a school house in each district.

In 1854, when the town had progressed to a city of the second class, progress demanded improvement in the public school system. This improvement came in 1856 when eight lots on the west side of Mulberry Street between Hamtramck and Burgess Streets were purchased for the erection of the Union High School. This building was completed in the fall of 1859.

In 1874 a grade school building was completed in the fifth ward district at the west end of Pleasant Street. This was known as the Davis Building. In 1877 another building was finished in the second ward at the southeast corner of Scott and West Vine Streets. This is now the location of West School. Some time before the completion of this building, three intermediate schools had been established in the other three wards.

A new high school building was erected on the corner of North Mulberry and Burgess Streets in 1898. After the old Union Building was razed, this 1898 building was used for a junior high school until it was torn down in 1938.

In 1924 the old Union building was razed and in its place a modern high school was built. This is the West wing of the present high school.

A junior high for seventh and eighth grades was established in 1927. This brought all the seventh and eighth grades from the five wards into one building. When the junior high building was torn down in 1938, the junior high was incorporated into the new large high school building.

The combination gym and auditorium was added to the rear of the high school building in 1928. Both boys and girls used this gym. For the first time a girls' physical education program was introduced as part of the regular curriculum. Sara Cannon was hired as girls' physical education director, and Angus King was boys' gym instructor who coached all the teams with no assistant coaches.

In 1938 voters approved a $360,000 bond issue for the building of the present high school building facing North Mulberry Street, a new Third Ward, now known as Central School, and a remodeling program for the other five elementary schools. This building program was completed in 1940. Dr. A. W. Elliott was superintendent during the construction of the new buildings.

Because of the growth of population and the number of homes erected in the Mansfield Road area, Dan Emmett School was built and opened the fall of 1952.

The buildings that have been constructed during the past century and a half are only part of a growing school system. Many people have worked in these schools to make them what they are today. Today there are seven elementary schools — East, West, Central, Fourth, Elmwood, Hiawatha, and Dan Emmett. A bond issue was passed by the voters in 1950 for $990,000 which added three all-purpose rooms and 22 class rooms — five at East, two at Hiawatha, eight at Elmwood, seven at Dan Emmett (a complete, new building), and a shop and music room at the high school.

As the state of Ohio celebrates its sesquicentennial, Mount Vernon residents can look with pride on its public school system. The schools today have everything to rate them class A, and those wishing to take advantage of excellent instruction in many fields can get a liberal education in our city schools. There are now 111 members of the faculty of the entire system and 2843 students.

Dedication

To have spent thirty-one years in one school system is an achievement in itself. To have served as teacher, principal, and superintendent in that same school is an even greater achievement. It is natural then that the students of Mount Vernon High School feel that the standing of the school is due in part to the time, effort, and administrative ability of Superintendent John D. Geiger in making this school one of the best in Ohio.

Mr. Geiger came to Mount Vernon High School in 1922 as a physics teacher. The next year he taught chemistry and general science, and in 1924 he became principal of the high school, a position he held until 1941 when he was made superintendent of city schools.

Since he has been in Mount Vernon, Mr. Geiger has also been active in various local organizations. He was president of the Chamber of Commerce in 1937. That year the Chamber of Commerce was instrumental in bringing the Shellmar Corporation to Mount Vernon. He has also served as president of the Ohio Principals' Association. He is a deacon in the Congregational Church and is moderator of this church at the present time. "J.D.," as he is often called, is a member of the Masonic Lodge, American Legion, Kiwanis, and board of the local Y.M.C.A.

After retiring Mr. Geiger plans to travel and visit his brother who is principal of McKinley High School in Honolulu. When travel begins to bore him, he will probably return to his present hobby of raising beautiful flowers.

As a token of our admiration and gratitude for the aid that he has given to the students and faculty, the *FORUM* staff is proud to dedicate the 1953 book to

SENIOR CLASS HISTORY

The senior class of 1953 has come a long way. Here are a few of the milestones in our life at Mount Vernon High School.

In the seventh grade, many of us first became acquainted with the school and its teachers.

Our next important step was our entering the ninth grade when we officially became members of the high school.

In the eleventh grade, we were introduced to the problems that beset the upper classes. We elected Bill Conard as class president, Dale Miller as vice-president, Ruth Gilloolley as treasurer, and Janet Berger as secretary. With this able cast of officers we accomplished many projects. We ordered our rings, gave a successful play, and climaxed the year with a fine Junior-Senior prom.

At last the final year arrived! We were seniors! We elected Bob Rooch as class president, Tom Phillips as vice-president, Joan Curtis as secretary, and Dorothy Warman as treasurer. Sally Pryor was crowned football queen, with Debbie Pond and Mary Poland as senior attendants. Our basketball team had its best season in 31 years, with a record of 18-3 and a C.B.L. championship. For the *Forum* Show we elected Shirley Tier as queen, and Mary Poland, Sally Pryor, and Ruth Gilloolley as senior attendants. We have many distinguished seniors this year. Debbie Pond and Fred Pargeon won the American Legion Essay Contest. Fred Pargeon won the Cooper-Bessemer scholarchip, while Dee Olson won the "Hire the Handicapped" essay contest and had a poem published in the National Anthology of High School Poetry. John Hoyt and Norman Steagall held up the athletic end, both winning acclaim for their performances in football and basketball. John also won the Pittsburgh Plate Glass Company scholarship. A successful senior class play entitled "You Can't Take It with You" and a wonderful Senior Prom climaxed our last year of high school.

All in all, our high school career has been a happy one. We wish to thank the teachers for their help and to say "Good Luck!" to the senior classes of future years.

Jane Geiger was top honor student.

HISTORY OF THE JUNIOR CLASS

The largest Junior Class in the history of Mount Vernon High School, with more than 170 members, held its first meetings and election of officers under the direction of its advisers, Mr. Guy Van Nostrand and Mrs. Louise Huggins.

The next accomplishment of the class of '54 was the selection and purchase of class rings. The members of the ring committee were Dave Warren, Dave Misicka, Janet Bouton and Marlene Kline.

Next came the Junior Class play. The play committee, Bob Ransom, Keitha Porter, Sarah Eastman, and Dave Misicka, chose "Boy Wanted" with a cast of 17.

The final achievement of the Junior Class was the planning and executing of the Junior-Senior Prom. Gayle Meyer was the chairman of the prom and assisting her were Dave Warren, Ned Kuivinen, and Phil Levering, who secured the band; Kay Dennis and Ann Robeson, who were in charge of the decorations; Bob Ransom and Al Shields, co-chairmen of the publicity committee; and Tom Perrine who was in charge of tickets.

ORGANIZATIONS

HISTORY OF THE STUDENT COUNCIL

The Student Council was organized in 1926. That was the first time in the history of Mount Vernon High School that students were given the privilege of helping make the rules of the school. The success of the Council in 1926 was so great that it was permanently established.

The purpose of the Council was to give the students a part in the management of the school functions. It was the first step taken toward student government.

The first Council was composed of six members from the senior class; five from the junior; four from the sophomore; and three from the freshmen. In each case the president of the class was a representative.

The group met for the first time December 9, 1925 and chose the following persons for their officers:

President ..... Gordon Pumphrey
Vice-President ..... Allin Kahrl
Secretary ..... Houston Shields
Executive Committee — Gordon Pumphrey, Evelyn Jones, Ann Platt Hartman, Allin Kahrl, and Houston Shields.

During the first year the following recommendations were submitted to the students:

1. That the students refrain from loitering in the hall, and to keep locker doors closed or locked to prevent conjestion in the halls.

2. That the students deposit waste paper in the waste paper baskets provided for that purpose.

3. That the eight minute period (which we no longer have) be repealed as the notices were not always sent around at that time, and because some students used it as a rest period.

The Council also co-operated at all times in promoting school events.

During recent years the Student Council has published a handbook called the "Crest," which is given to each student in school. It also purchased the juke box which is used at some of the dances. One of the highlights of the year is a dance sponsored by the Council, known as the "Shamrock Shindig." This event takes place on a Friday night before or after St. Patrick's Day. The entire program is planned by the members of the Council.

Miss Audrey Wright, the present adviser, has had charge of the Student Council for six years. Previous to Miss Wright's having charge of the Council, Mrs. Imogene Montgomery was the adviser.

THE JACKET JOURNAL

The *Jacket Journal* is a bi-weekly newspaper of Mount Vernon High School. The first number each year is complimentary to the whole school and is issued the first day as the students enter the building. This first paper contains all the information that students and teachers need for the opening of the school year. Pictures of new teachers, unusual vacations, and summer activities of the school's personnel are included in this number. Miss Sara Cannon has been the adviser since 1935.

JACKET JOURNAL STAFF

Clifford Slayman, Phyllis Frye and Nancy Barncord, Tom Perrine, Don Fleeger, Sonia Fridline, JoAnn Ferenbaugh, Jo Ann Cornell, Jo Ann Elwood, Nancy Ireland and Elaine Kousoulas. Bill Ward and Brent Scudder, Dee Olson and Marilyn Riess, Dick Reynard. Charles Gill, John Grimm, Jan Vannatta and Gayle Meyer, Beverly Leiter.

HISTORY OF PUBLICATIONS IN MOUNT VERNON HIGH SCHOOL

THE FORUM THE JACKET JOURNAL

Mrs. Robert Baldwin, Class of 1899, has preserved the first high school publication of which we have any record. Two numbers were issued by the senior class of 1898. These were called "The Tattler," and the editorial staff of the first number consisted of Ruth Bogardus, Editor-in-Chief; Robert Armstrong, Managing Editor; M. C. Starr, Local Editor; and George Kingsbury, Business Manager.

"The Tattler" contained little school news as we know it today. There was a long description of Celia Henley's trip to the Philadelphia Navy Yard; a whole column by Louie Wythe was devoted to the business conditions in the United States; a long description of a trip to Bangs that the geology class took was one of the most interesting items; and there were two columuns by George Kingsbury on the political situation of the country.

An election of officers for the Junior Literary Society resulted as follows: President, Zenno Taylor; Vice-President, Walter Anderson; Secretary, Willie Arnold; and Treasurer, Willie Allen. The officers of the Senior Literary Society were President, Lou Wythe; Vice-President, Florence Westlake; Secretary, Ruth Bogardus; and Treasurer, Clinton Smith. Ila Williams was the Censor.

At a meeting of the Senior Literary Society the subject was "American Humorists." Ruth Bogardus read an essay on "American Humorists;" Gertrude Parr read from Washington Irving's "Knickerbocker History of New York;" Florence Westlake read a passage from "The Autocrat of the Breakfast Table;" Paul Brent recited "The Heathen Chinese;" Newton Anderson read an essay on "A Fable for Critics" by James Russell Lowell; Harry Parrott, read from "Huckleberry Finn;" and Ila Williams recited "The One Hoss Shay." This program was followed by a debate on "Resolved: That Humorous Literature is more Effective for Good Than Serious."

After 1898 no more papers were published until 1905. Then a booklet was started known as the "Forum," and was published every other month. Curtis Kinney, now manager of the J. S. Ringwalt Company, was on the staff in 1905, and he became the Editor-in-Chief the second quarter and continued in this position the rest of the year. The booklets consisted mostly of literary works, some athletic news, and a few jokes.

The "Forum" continued in booklet form until 1921. In the spring of that year the first year book, known as the "Hi-Log" was published. There were two volumes printed under this name. The name "Hi-Log" was chosen because "Hi" was the popular abbreviation for high school, and the meaning of "Log" is derived from use of a ship's log to record a vessel's history.

Virginia Alsdorf Garroutte was the first editor and Gladys Hadley Baker was the adviser. This book was the first one which included individual pictures of seniors, groups of all other classes, pictures of athletic teams, clubs, and snap shot pages. The girls' club was called the *Athenaeum,* and the president the first semester was Mary Ransom (Molly Fletcher's mother). The president during the second semester was Martha Davis.

The boys' club was known as the *Delphi,* and there were more than sixty members in this group. The president the first semester was Geoffrey Errett, and the president the second semester was Brice Greer.

There were two debates during 1921, and one with Cambridge and the other with Zanesville. Although Mount Vernon had very good arguments the team was defeated both times.

Miss Marie Richter was director of the Boys' and the Girls' Glee Clubs, and Mr. Henry Levy was director of the fourteen piece orchestra. The athletic coach was Mr. Ray Michaels, an uncle of Mrs. Imogene Montgomery.

In 1923 the annual was again called the "Forum" and is still published under that name. During the depression years lack of funds stopped the publication of a year book. According to the "Forum" files no book was published in 1930, 1932, or 1933. A small annual was published in 1934 and "The Forum" has been published every year since.

From 1923 to 1925 the high school literary booklet was continued, then it became a newspaper also known as "The Forum." The first editor was William Ackerman, and the Business Manager was James Alsdorf. William is now with R.C.A. and James is legal adviser for a bank in Palmyra, New York.

Having two publications under the same name was confusing, and in 1938 a contest was held by the "Forum" newspaper staff to change the name. Joe Hantman won with the name "Jacket Journal." Since then the paper has been known as "The Jacket Journal," and the yearbook as "The Forum." Don Dowds was the first editor of "The Jacket Journal." The high school paper has been published every year since 1925 except between the years 1930 and 1935. Sara Cannon has been the adviser since 1936.

History of the Quill and Scroll Society

The Sara Cannon Chapter of the Quill and Scroll Society was granted a charter March 16, 1944. This is a national society for high school journalists and has chapters in schools all over the United States. To be eligible for membership in the society a student must be either a junior or a senior in the upper third of his class. Work on the *Forum* or the *Jacket Journal* in either the editorial or business field is necessary for membership.

In Mount Vernon High School it is customary to elect eligible juniors after they have completed a course in journalism. An election is also held the second semester for seniors who have done exceptional work in publications during their last year.

The charter members of the local chapter were Kathleen Fravel, James Doughty, Lowayne Johnson, Edward Taylor, Robert Bonnist, Mary Kaler, Marjorie Ferrell, Jean Cassell, Jane Yauger, Patricia Freshour, and Christine Johnson.

Since the founding of the local club, it has become customary to elect honorary members each year from the faculty or citizens of the community who have an interest in journalism. Honorary members are Sara Cannon, adviser of publications since 1935; Gladys H. Baker, former *Forum* adviser; Helen C. Sevitts, second editor of *Forum;* Curtis Kinney, first editor of the *Forum;* Laura Koons, senior English teacher; Ruth Truxall and Pearl Carpenter, assistant advisers of Forum Follies; Fern Dudgeon, art teacher.

HISTORY OF THE Y-TEENS

The Y-Teens is a service club composed of girls from the ninth through the twelfth grades. It is a national organization, and the chapter at Mount Vernon High School was founded in September 1928 with Miss Laura Koons as the adviser.

The club was originally called the Girl Reserves, and the first cabinet consisted of Frances Ward, president; Louise Cochran, vice-president; Edith Johnson (Pat and Ann Baltzell's mother), secretary; Esma Pilotti, treasurer; Louise Cochran, ch. membership com.; Imogene Denny (Pete Barnes' mother), service ch.; Evelyn Tarr (Hugh Watson's mother) Service ch.; Ann Platt, social ch.; Betty Clawson (Jim and Ann Rice's mother), finance chairman; and Mildred Dennison, publicity chairman.

Miss Koons acted as adviser until 1939, and since that time advisers have been Mrs. Mary Herron, Miss Bernice Boner, Mrs. Imogene Montgomery, Miss Mary Kaler, Miss Clarice Neff, and Mrs. Florence Cass. The present advisers are Miss Maryalice Shockey, Mrs. Bess Stauch, and Mrs. Mary Tomb.

The name of the club was changed from Girl Reserves to Y-Teens in 1946.

FOURTH ROW: Ronnie Snow, Richie Hoyt, Chuck Pond.

HISTORY OF HI-Y

The Hi-Y is sponsored by the Young Men's Christian Association. It was organized in September, 1924 with only six members and has recently grown to 50. Its motto is, "To create, maintain, and extend throughout the home, school and community, high standards of Christian character."

This year the Hi-Y has sponsored a formal New Year's eve dance; stenciled the sidewalks in Mount Vernon and near-by towns with "don't forget to vote;" distributed and collected the March of Dimes contribution cans; sponsored a spring formal, and conducted Sunrise Service Easter morning with the help of the Y-Teens.

King Egger has been adviser for the Senior Hi-Y this year.

SERVICE TO THE SCHOOL

The Key Club is sponsored by the Kiwanis International and is dedicated to service to the school and community. This year the boys made, painted and installed new name plates over the doors in the west wing of the high school building; purchased new yard markers for the football field; numbered the seats in the auditorium; and polished the trophies in the trophy case.

SERVICE TO THE COMMUNITY

Contributed to Polio Fund, distributed material for Community Chest, and helped the Kiwanis Club sponsor Kids' Day.

The Key Club of Mount Vernon High School received its charter in August, 1948, and Hal Walker was the first president.

FUTURE FARMERS CELEBRATE TWENTY-FIFTH ANNIVERSARY

The week of February 22 to 28 marked the twenty-fifth anniversary of the founding of the National Future Farmers of America. Every year since its founding the F.F.A. has observed the week of Washington's birthday as its national week.

The local chapter was granted a charter in 1930 when Mr. William Stuart was the instructor, and has been one of the leading clubs of the school ever since. It is built on a foundation which includes leadership, character development, sportsmanship, cooperation, service, thrift, scholarship, improved agriculture, organized recreation, citizenship, and patriotism.

There are four degrees of membership in the organization. They are Green Hand, Chapter Farmer, State Farmer, and American Farmer. The first two degrees are determined by the local chapter, the third by the state, and the last by the national organization. One member out of fifty receives the state degree, and only one out of 1000 receives the degree of American Farmer.

Twenty boys from the local chapter have received state degrees since the founding of the chapter, and two have received the American Farmer degree.

Those having received the state degree are Monroe Bouton, 1931; Richard Anderson, 1935; Carl Jennings, 1935; Francis Dalrymple, 1935; Fred Coe, 1935; Warren Ward, 1936; Charles Crouch, 1937; Emmett Lybarger, 1938; Dean Beever, 1938; Dale Spearman, 1940; Doyle Smith, 1941; Paul Rowe, 1942; Robert Beckley, 1945; John Ewart, 1950; C. Robert Blue, 1951; Richard Zinsmeister, 1951; Fred Ball, 1952; and Eugene Phillips, 1952.

Carl Jennings, 1936, and Dean Beever, 1940 were both fortunate enough to receive the degree of American Farmer.

The chapter participates in various activities such as the State Chapter Contest, Parliamentary Procedure, and Public Speaking. During the last three years the chapter has been awarded two gold and one bronze rating in the State Contest. In the Parliamentary Procedure Contest the boys have received four gold, one silver and two bronze ratings; and in the district Public Speaking Contest at Lancaster February 4, 1953, Bob Harrod placed second in the memorized speech contest; and Fred Ball received third place in the extemporaneous speaking contest.

At the present time there are thirty-nine boys in the local F. F. A. chapter under the direction of Mr. Clarence Fridline.

Members of the present faculty who have been made honorary members are Miss Laura Koons, Mrs. Ruth Truxall, Miss Sara Cannon, Mr. J. D. Geiger, Mr. Kenneth West, Mr. Harold Highman, Mr. J. F. Thomas, Mr. L. L. Owen.

Dale Miller and Tom Phillips were elected State Farmers for 1953.

Between 1910 and 1930, debating was a popular subject in the high school. Triangular debates were held with Newark, Zanesville, Cambridge and other cities in Central Ohio. People looked forward to the nights on which debates were to be held, and usually the auditorium was filled. There was always great excitement when our team won, and the cheerleaders were on hand to arouse enthusiasm in the crowd. The last debating team contest was held about 1930.

FOOTBALL

FOOTBALL UNDER THE FLOODLIGHTS

During the 1930's, night football became very popular all over the country. Naturally Mount Vernon wanted to keep up with other schools of its size. However, the only field the team had to play on was a rented one; so in September 1935 the present athletic field was purchased from Dale Barre. This was the same field on which they had played for years. The first Yellow Jacket teams played at Hiawatha Park and on the present baseball diamond of Riverside Park.

Work was begun on the new field as soon as contracts were released. The old field ran east and west, and the only means of keeping the crowd off the playing ground was a rather slack rope. During an exciting part of the game, many of the fans ran up and down the field yelling instructions to the players.

The new field was constructed to run north and south surrounded by a cinder track. Then there arose a need for a field house because players had to come clear back to the high school to shower and dress. The old Davis building had been razed and the stones had been left piled where they had fallen. A member of the school board suggested that this stone could be used to build a field house. This was done, and the present field house was erected in 1938.

Previous to the building of the field house, flood lights had been bought, and the first night game was played September 1937. Wooden bleachers were built at the time that the field was completed, and in 1948 steel bleachers were installed on the east side of the field. Anyone who contributed $15 was allowed to sit in the steel bleachers the first year. People who contributed to this fund still have the privilege of buying reserve seats in that section.

The entrance gates were the gift of the class of 1937.

In 1952 a new and better lighting system was installed and a new scoreboard erected.

The large bell that is mounted at the south end of the field is the same one that hung in the tower of the old Central Building.

For several years Mr. Harold Highman acted as faculty manager of athletics, but as interest, receipts, and the need for more equipment grew, he became known as faculty business manager, and Mr. Rex Murphy is now faculty manager.

Mr. J. D. Geiger was faculty manager in 1923.

Daniel Decatur Emmett author of "Dixie"

No history of Mount Vernon would be complete without a picture of Dan Emmett. Mr. Emmett wrote his famous song "Dixie" for a minstrel show of which he was a member. The song has become almost a national anthem of the South although it was first sung in New York City. Pictured above is Mr. Emmett with the original cover of "Dixie."

THE FIRST FORUM QUEEN

RUTH BEBOUT BALL

In going over the *Forum* files, the first account we found of a *Forum* Queen was in 1928, when Ruth Bebout Ball was crowned Carnival Queen. Mrs. Ball is the mother of Fred Ball, a graduating senior, Andrew and Nancy in high school, and three other children in the grades.

She said there was nothing spectacular about the *Forum* show in those days. At the end of the high school carnival, she went to the auditorium, where a small crown was placed on her head, the dancers paused long enough for her to receive her crown, then immediately continued dancing. There was no program connected with the ceremony.

"The Varsity Follies"

The "Varsity Follies" was the first presentation of its kind ever to be attempted in Mount Vernon High School. Under the able direction of Coach Snyder, an all male cast of varsity letter men presented a ten act show that was such a success they had to give a repeat performance the following year. The acts included: tumbling, pyramid building, several original skits, a harem scene with the boys doing a chorus dance that was highly entertaining to the audience, and a number of unusual tableaux. The tableaux depicted different scenes of athletic activities, and the participants were covered with gold paint. Playing before a capacity house both nights, the event proved a tremendous success. Notice that Coach Houston Schlosser was a member of the chorus.

BENEFIT PERFORMANCE

Courtesy of Clinton Williams

Pictured above is one of Mount Vernon's early movie houses. It was situated where the Chamber of Commerce is located today. This picture was taken about 1912 following a children's benefit performance of a silent movie in which Mary Pickford was featured.

The first movie house was located on South Main Street and was called the White Palace. In those days all sound effects were made by the pianist who had to be quite accomplished at watching the changing emotions on the dancing screen and making the music fit the moods of the actors.

The first talkies were brought to Mount Vernon about 1930 in the Old Vine Theater on West Vine Street.

Before the advent of movies, Road Shows and plays given by local talent were given in the opera house situated on the corner of West Vine and South Main Streets where Lemasters' store is now located.

BANQUET FOR MR. GEIGER

On March 18 the Mount Vernon Teachers' Association honored retiring Superintendent John D. Geiger with a banquet at the Alcove. Principal Kenneth West acted as toastmaster and speeches were given by Mrs. Helen Sevitts, Mr. Fletcher Devin, Dr. Harold Nichols, and Mrs. Ruth Tulloss. Mr Jack Robeson read an original poem on the life of Mr. Geiger, and Mr. James Neff, president of the association, presented him with a gift of luggage from the group.

"GUESS WHO"

Neither short or tall,
Not heavy or thin (theen),
But well proportioned:
Somewhere in between.

His hair is quite gray,
But it's not even thin.
How, with teachers like us,
Has it ever stayed in?

He is always clean shaven,
His clothes always neat,
Just like Beau Brummel
Whenever you meet.

In his winter outfit,
Gray topper and fedora,
You never would guess
He was born in Pandora.

When his Uncle Sam
Entered World War I,
He dropped everything
And shouldered a gun.

Mount Vernon needed a teacher
In the year '22.
When this man applied,
The Board said, "You'll do."

While at Bluffton College
He started courting his bride.
After 3 years in Mount Vernon,
The knot was tied.

Since I've lived here,
Two children have arrived:
The first in '31,
The next in '35.

His family at present
Is still just four.
As things stand now,
I predict no more!

When I came to Mount Vernon,
In the fall of '31,
His job as Principal
Was seven years done.

Our Superintendent left,
Back in '42.
This man's foot
More than filled his shoe.

When he takes off these shoes,
I hope he don't tear 'em,
Cause we want them in good shape
So Nichols can wear 'em.

His skill as an angler
Is held in high esteem,
Cause he can catch fish
In lake or stream.

I suppose next year,
When I'm here a teachin',
He'll be roaming the country
A huntin' and a fishin'.

Another pet hobby
He'll be following soon
Is searching in fields,
For the sponge mushroom.

A wonderful treat
For your eyes and your noses,
Is a visit to his garden,
Full of flowers and roses.

Speakin' for myself,
And other teachers as well,
Your job's been well done,
And to us you've been swell.

I'm sure we've upset you
By some things we've done,
But, with your understanding,
Teaching's really been fun.

With the best o' Luck
From us to you;
May your joys be many
And your sorrows few.

Now if you haven't guessed
Who this man might be,
I'll just have to tell you.
He's our own, "John D."!

Helen Colville Sevitts

Retiring Librarian

HELEN COLVILLE SEVITTS

The reason that the picture of Mrs. Sevitts did not appear in the front of this book is that the *Forum* Staff did not know of her retirement until most of the book had gone to press.

We could not let a teacher like Mrs. Sevitts, who has been so valuable a member of the faculty, retire without giving her some idea of how much she has been appreciated.

Since 1940 she has been full time librarian of our high school, and during that time the circulation of the library has tripled. Mrs. Sevitts has been a great help to all students from the seventh grade to seniors, in hunting up reference material, getting out special bulletins, and increasing the pleasure reading of the pupils. She has also been of valuable help to the teachers by putting books on reserve and working with classroom libraries.

Helen Sevitts was a graduate of Mount Vernon High School, and then received her bachelor of arts degree at Wooster College. There she became a member of Pi Beta Phi, one of the oldest social sororities in America. She returned to Mount Vernon High to teach mathematics which included arithmetic, algebra, geometry and trigonometry, bookkeeping, ancient history, and commercial English. She became so much interested in math that she went to Columbia University where she received a master of science degree.

Our petite librarian had had an ambition to be a librarian since she was a child, so she welcomed the chance to take over the high school library. From the tremendous amount of work she did in planning the present school library, cataloguing, and repairing, the Board of Education realizes that the position Mrs. Sevitts holds now will be hard to fill.

The first thing that Mrs. Sevitts will do when she leaves Mount Vernon High will be sail for Europe June 24. In England she will visit Mrs. Mavis King, who was our exchange teacher a few years ago.

The librarian has no definite plans of what she will do when she returns to America, but some of you may see her substituting next fall. Like Mr. Geiger, her garden is her hobby, so she plans to beautify that. Because a librarian has little time to read the things she especially likes, Mrs. Sevitts hopes to do considerable reading.

Both the faculty and all the students wish Mrs. Sevitts happiness in her new freedom, and want to express their thanks for everything she has done to further education in Mount Vernon.

THE SMART SET OF 1927

THE MOUNT VERNON CHAPTER OF THE NATIONAL HONOR SOCIETY

In 1927 Mount Vernon High School was granted a charter to establish a chapter of the National Honor Society. To be eligible for membership in this society, a senior must be in the upper third of his class and must show qualities of scholarship, service, leadership, and character. The seniors are elected by a committee from the faculty, but no more than fifteen percent of the entire class may be elected.

At an impressive ceremony sometime in May, these seniors are formally initiated into the society. They are not notified of their honor but are called from the audience after the program begins. Parents of the candidates are invited to attend the exercises, because election to this society is considered one of the highest honors a senior can achieve.

During the same assembly special honors are mentioned and awards are presented to students of the ninth, tenth, eleventh, and twelfth grades who have won recognition in various departments during the year.

There are now 484 members of the Mount Vernon Chapter of the National Honor Society. This does not include the members elected in 1953.

Antiques of Transportation

When the Mount Vernon street cars are mentioned in the presence of any old residenter, he has some interesting tale to tell about it. One person told of making onion sandwiches for her boy friend and giving them to the conductor. The conductor would leave the sandwiches at McCormick's furniture store (Gene's Clothing Store) and the boy friend would pick them up.

Another story is that if a woman wanted to buy a spool of thread at Downings Store (Rudin's) the motorman would wait until she got off the car, bought the thread, and returned to the car. Imagine doing that at five o'clock any evening in 1953.

John Tainter Foote, a prominent American author of the 1920's mentions the street car in some of his stories. Mr. Foote's old home was on the corner of Division and East Gambier Streets, the present home of the Robert Pitkin's.

There were two types of street cars, the summer car with the seats running across the car, and the winter cars with the seats running lengthwise. Both cars are shown in the above picture.

When the black topping on some of the streets wears off today, the old car tracks may be seen. The route of the cars was around the Square to the Baltimore and Ohio Station on West High Street; to the Pennsylvania Station on South Main Street; to Catherine Street on East High Street, and from there out Catherine Street to East Pleasant and on to the Fair Grounds. Street cars were discontinued about 1916. The above picture was taken in front of Mercy Hospital about 1912.

East Vine Street looking west about 1870, Church of Christ on left in background. Buggy believed to have been built by the late George D. Neal whose residence is just behind the buggy.

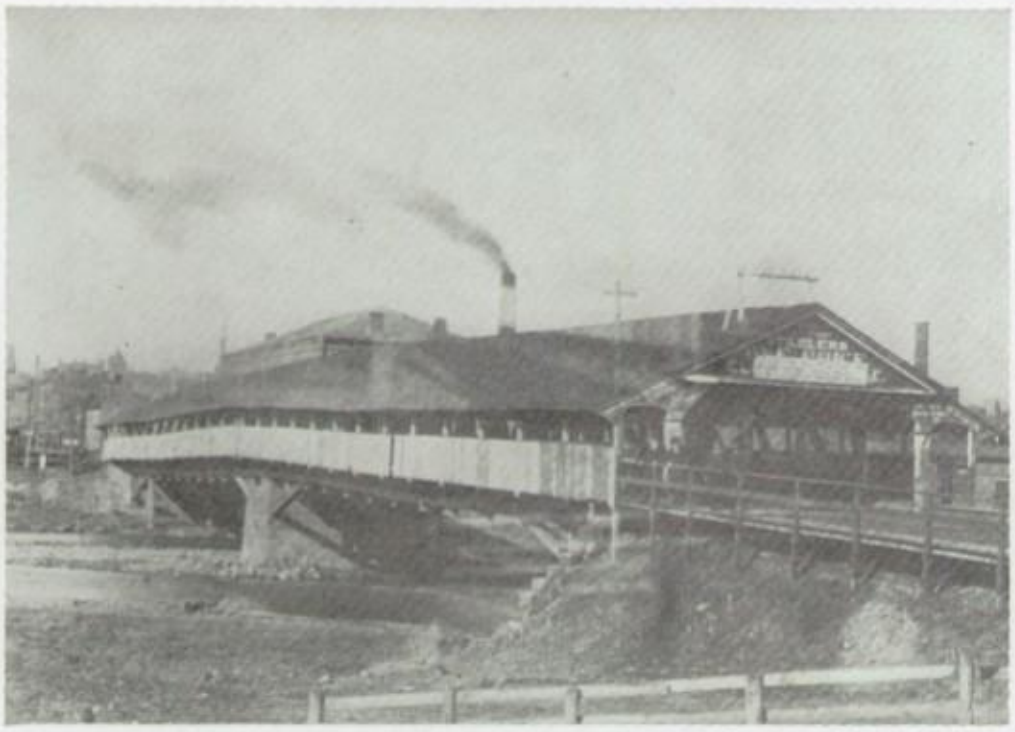
ENTERING MOUNT VERNON FROM THE SOUTH



Courtesy Clinton Willicms

LEFT: Until 1892 a covered bridge spanned the Kokosing River. This was the only way to enter Mount Vernon from the south. When the Commissioners decided to construct a new bridge, most of them wanted to make it the width of two buggies. Thomas Vannatta (Ogden Wintermute's great grandfather and Janet Vannatta's great great grandfather) would not sign any contracts until the rest of the commissioners voted to make it as wide as it is today. Imagine five o'clock traffic going across the present viaduct if it were just the width of two buggies!

RIGHT: In 1892 construction of a new viaduct was started which resulted in the present bridge connecting South Main Street with the Newark and Columbus Roads.

ART

For several years it has been the custom for students of the art department to go down town a few days before Hallowe'en and decorate store windows. The merchants have cooperated very well in this project because the decorated windows are seldom soaped or defaced. The above picture shows the artists and their work.

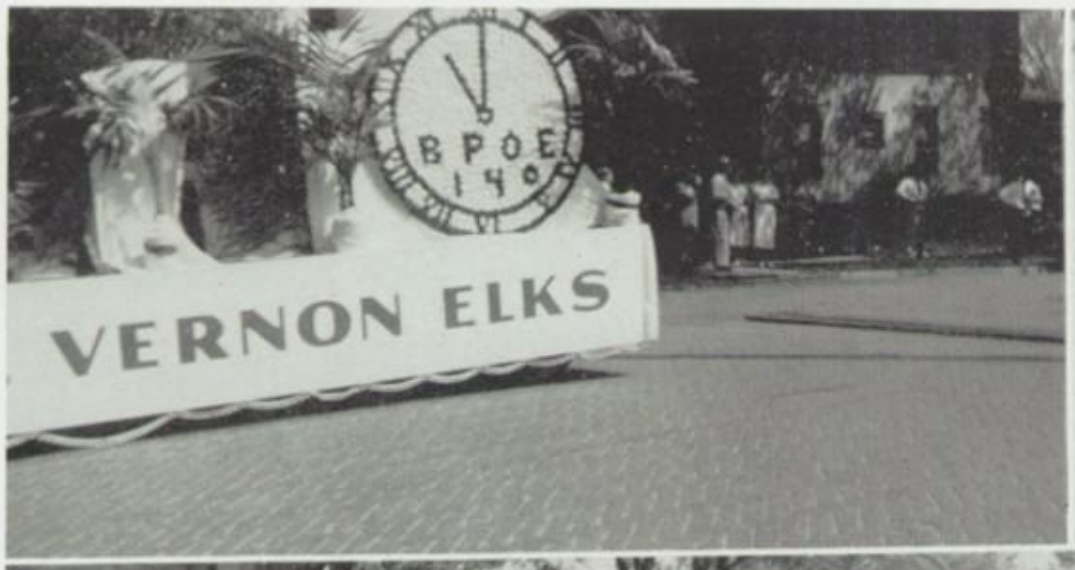
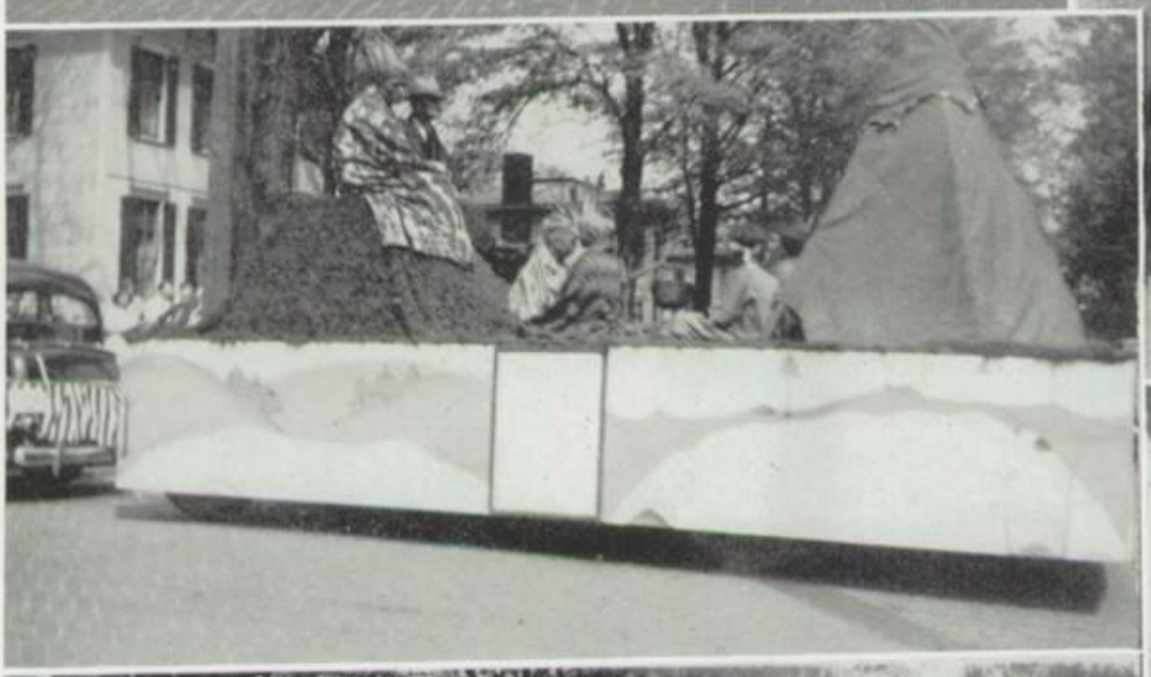
SESQUICENTENNIAL CELEBRATION OF OPENING OF NORTHWEST TERRITORY





In 1937 Ohio celebrated the sesquicentennial of the opening of the Northwest Territory. In 1787 a group of settlers came down the Ohio River and disembarked at Marietta. Even though the state did not receive its charter until the next year, this marked the opening of the Northwest Territory. During the summer of 1937 celebrations were held all over the state commemorating this event. The above pictures were taken by Sara Cannon as the Mount Vernon parade crossed Vine Street at McKenzie.

These are American newspapers!

THE foreign language newspapers you see here are as American as the funny papers. Yet these papers are published in languages that look very strange to most of us. They are just a few of the many hundreds of foreign language newspapers published in America. The publishers of these papers have the same freedom to express their views and support their interests that English language newspaper publishers have.

The right to publish what we please, and in any language we please, is one of the freedoms guaranteed to us by our Constitution along with the right to secret ballot, freedom of worship and many others.

In some countries these rights are being wiped out because they stand in the way of a totalitarian state. There, free-speaking newspapers have been replaced by state-owned propaganda machines. Religion has been suppressed. History re-written to glorify the state. There are those in this country who would like to re-write our Constitution so that it would wipe out our rights, too. The only way we can prevent this is to stand up for our rights whenever we see them threatened.

Remember, they're your rights, so treat them right!

DO YOU KNOW YOUR RIGHTS?

As Americans, we have the greatest freedom and the highest standard of living in the world. Help keep it that way by knowing your rights and guarding them well. Some of them are:

Freedom of worship
Right to secret ballot
**Right to know how your union spends your dues*
Freedom of speech
Freedom of the press
Right to criticize officials
**Right to know salaries of your union officials*
Freedom from search without warrant
Right to petition government for redress of grievances
**Right to know if your union officers are Communists*
**Right to know how your union is run*
Right to speedy and public trial by jury
Right to help of a lawyer
**Right to hear your employer's side of disagreements*
Right not to appear as a witness against yourself
**Right to refuse to permit the "check-off" of union dues*
**Right to go direct to your boss with a grievance*
Right to be presumed innocent until proved guilty
Freedom to own property
**Right to work despite union jurisdictional disputes*
Freedom to work in any locality
**Right to proper supervision of your union welfare funds*
Freedom to start and manage a business
Freedom to make a profit
**Right not to be fired by union leaders*

*These are rights you enjoy under the Taft-Hartley law.

THEY'RE YOUR RIGHTS,
TREAT THEM RIGHT!

PLYMOUTH — DESOTO

MILK is better in BOTTLES

A sparkling glass bottle is the perfect milk container. No substitute container protects milk's purity, flavor and your family's health so well.

GLASS IS PURE
A sterile bottle cannot contaminate your milk — cannot endanger your family's health, because glass is chemically inert.

GLASS LETS YOU SEE THE CREAM
See what you buy and know you get **full measure** of nutritious health food.

GLASS IS ECONOMICAL
Housewives could realize a saving on every quart of milk were all milk purchased in glass bottles.

GLASS PROTECTS FLAVOR
Glass completely guards milk's delicate flavor — imparts no foreign tastes or impurities to spoil milk's delicious goodness.

Walter Curtis, Sr., (deceased) of Round Hill Farms is driving. With him is Sellars Braddock of Thistleridge.

Thistleridge was a beautiful home that stood where the high school playground is now located. It was used as a hospital before it was torn down.

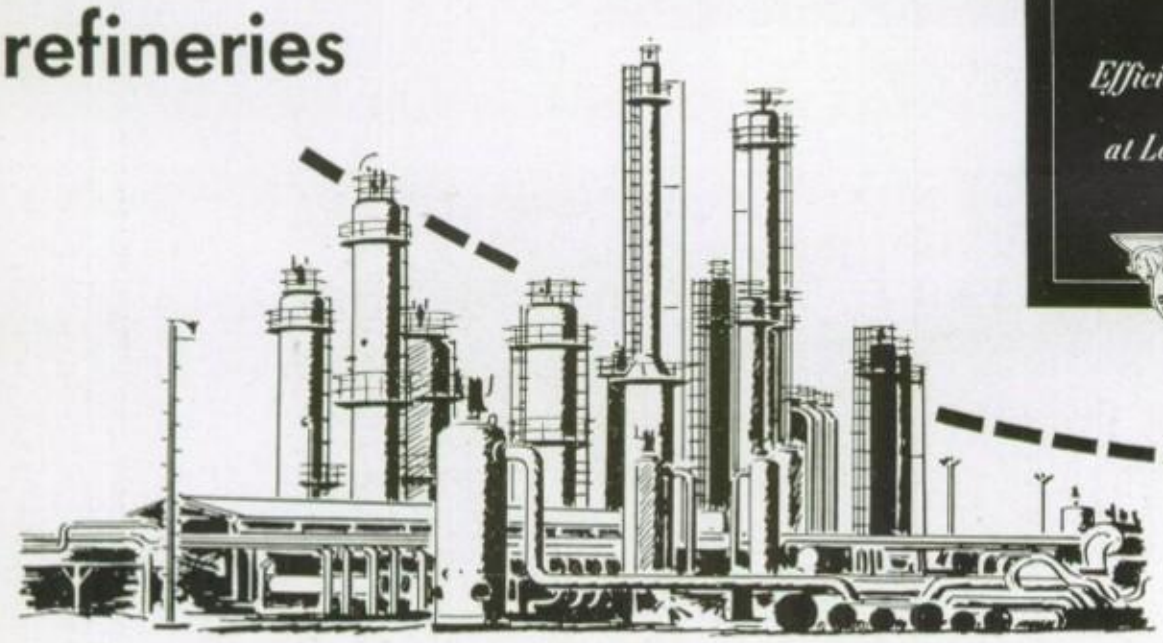
POWER COSTS DOWN...

from ships and power plants...

to pipe lines and refineries



Another Example of Efficient Power at Lower Cost

TODAY you'd be hard put to find *any* field of heavy duty power utilization not served by Cooper-Bessemer diesels, gas engines and gas-diesels. These big, modern units power fishing schooners, tugs, ocean-going cargo ships, locomotives and huge earth-moving machinery. They're hard at work in industrial, R.E.A. and municipal power plants everywhere. Hundreds of the biggest Cooper-Bessemers provide the push to send crucial gas and oil through cross-country pipe lines to our fuel-hungry production and metropolitan areas.

Two fundamentals lie behind this broad application. First, Cooper-Bessemer men continually study the ever-changing requirements in each type of service, then design and build engines and equipment to *meet* these needs. Secondly, equally important, Cooper-Bessemer engineers are constantly coming up with new ideas that *cut* the cost of power. For example, in many services right now, two Cooper-Bessemers are doing work that took three such engines only a few short years ago. Likewise, there are new Cooper-Bessemer developments that reduce fuel consumption and space requirements by a third . . . and more!

Advances like these help to make the most of our natural resources . . . help make power dollars *do* more. For defense-supporting power, check with Cooper-Bessemer. Find out about the *new* things being done by one of America's *oldest* engine builders.

A COMPLETE ROSTER OF THE GRADUATES OF MOUNT VERNON HIGH SCHOOL

This roster was compiled from the 1927 FORUM and from the files in the superintendent's office. In some cases it was difficult to obtain a woman's married name, but the staff hopes that all Mount Vernon High graduates are listed here.

Mount Vernon High now has 5493 *graduates. In order to keep the files up to date, the Forum Staff would like to know the married names of all the women graduates. They would also like to star all deceased alumni, so if you can help with any of this identification, please notify Sara Cannon,* 126 *East Vine St., Mount Vernon, Ohio.*

Please notify us also of any errors in spelling names.
